In addition to our largest sizes which we offer through the retailing nurseries, we offer the following family garden lots of second sizes:---

6	-	2 yr old plants " " " " " " " " for 3.50
6	-	3 yr. old plants " " 5 lbs. each " 16" for 5.00
3	-	3 yr. old plants " " $5\frac{1}{2}$ lbs. " " 18" for 3.00

We begin packing plants about April 1st. and shall be pleased to receive your order any time between that and May 15th. After that date it is not as safe to move plants as they are all out in leaf and blossom, and raising them is apt to check their growth.
